Transcript Notes

1. IIITB follows a 4-point grading scheme. Students are awarded Letter grades in courses as shown in the table below. The grade point equivalent of the letter is also shown in the table.

| Letter Grade | A | A- | B+ | B | B- | C+ | C | D | F | S | P |
|--------------|-----------|-----|------|-----|-----|--------------|-----|------|---------|--------------|------|
| Grade Points | 4.0 | 3.7 | 3.4 | 3.0 | 2.7 | 2.4 | 2.0 | 1.0 | 0.0 | 0.0 | 0.0 |
| Description | Excellent | | Good | | | Satisfactory | | Poor | Failure | Satisfactory | Pass |

S: Satisfactory X: Unsatisfactory I: Incomplete P: Pass

2. Cumulative Grade Point Average (CGPA) is the average of the grade points obtained by the student weighted by the credits associated in each of the courses taken by the student. If the grade points awarded to a student are G_1, G_2 , etc. In the courses with corresponding credits U_1, U_2 , etc, the CGPA is given by

$$\text{CGPA} = \frac{U_1 * G_1 + U_2 * G_2 + \dots}{U_1 + U_2 + \dots}$$

3. The minimum Cumulative Grade Point Average (CGPA) required for a student to graduate is 2.4.

4. If a student repeats a course, both the old grade and new grade are shown in the transcript with appropriate annotation indicating reasons like:

* = *Repeated*, \$ = *Substitute*, # = *Grade Improvement*

5. An academic Year is comprised of three terms: *Term I* (August - November), *Term II* (Jan - April), *Summer* (June - July). First year M.Tech. students have an additional *Preparatory Term* of 3 weeks duration in the month of July.

6. IIITB does not prescribe any formula for conversion of CGPA into equivalent percentage or any other scale.

Course Category Prefix Information

| Course | Category |
|--------|--------------------------------|
| BS | Mathematics and Basic Sciences |
| CC | Information Technology Core |
| CS | Computer Science |
| DS | Data Science |
| DT | Digital Society |
| ES | Engineering Science and Skills |

| Course | Category |
|--------|----------------------------|
| ESD | Electronics Systems Design |
| HSS | Humanities and Social |
| ITD | IT in Domains |
| NC | Networking & Communication |
| OT | Others |
| SE | Software Engineering |

Term Calendar Information

| Term | Calendar |
|----------|-------------------|
| Term I | August - December |
| Term II | January - May |
| Term III | June - July |
